<td>Blister cards and strips</td>
<td>Sealed (Unopened)*</td>
</tr>
<tr>
<td><strong>Opened</strong></td>
<td><strong>Opened</strong></td>
</tr>
</tbody>
</table>

*Do not put a blister card or strip back into the refrigerator after being stored at room temperature.*

**Before use, cartridge and inhaler should be at room temperature for 10 minutes.**

*If a foil package, blister card, or strip is not refrigerated, the content must be used within 10 days.
